Guide to Completing the Municipal Government Scrap Tire Claim

Under Tire Stewardship Regulation 2006 of the Waste Reduction and Prevention Act

For any municipality that collects and ships scrap tires to registered processors, the **Municipal Government Scrap Tire Claim** should be completed and submitted in order to receive funding. Submission of this claim is the responsibility of the municipality.

<i>Municipal Government Name, etc.</i>	Complete the business information requested in the General Information Box.
<i>Scrap Tire Processor Name</i>	Record the name of the registered processor to which scrap tires were shipped.
<i>Site Shipped From</i>	Record the site/place from which scrap tires were shipped to registered processors.
<i>Date</i>	Record the date scrap tires were shipped from the shipping site to each registered processor.
<i>No. of Tires</i>	Record the number of scrap tires shipped from the shipping site to each registered processor.
<i>Total Number of Scrap Tires</i>	Total and record the number of scrap tires shipped to all processors.
<i>Total Claim</i>	Multiply the <i>Total Number of Scrap Tires</i> by the <i>Credit per Tire</i> in order to determine your total claim.
<i>Authorized Signature</i>	The application must be signed and dated by an individual with signing authority for your organization.

The completed application must be forwarded to:
