TSM will supply a package that contains information to assist you in understanding the documents required and how the evaluation process works.

As part of the process the applicant must:

- Complete in full all application materials;
- Submit a five-year business plan;
- Make a presentation to the TSM Board of Directors on the proposed operation;
- Post a security as required by program policy; and
- Successful applicants must sign a TSM processor agreement prior to acceptance into the program.

TSM Board of Directors decisions are final.
